Dear Howard:

We are very happy to hear that you are interested in working with the Student Nonviolent Coordinating Committee.

We have found it necessary to become more restrictive as to who can become part of the organization. As a result, we have established an orientation program in which all prospective members must participate. There is a tuition fee of \$25.00 for all participants in the orientation program. However, if you cannot meet the expenses, please contact us and we will try to work something out.

If you feel that you would like to participate in the orientation program, please complete the application form that I have enclosed and return it to me.

We are looking forward to having you join our staff.

Yours for freedom,

STUDENT NONVIOLENT
COORDINATING COMMITTEE
