

Post Office Box 102
Mound Bayou, Mississippi
August 1, 1967

My dear Legionnaire or/and Auxiliarian:

For the past several years, our District has primarily sent our delegate to the National Convention. This year, the Convention will be held in Boston, Massachusetts, August 25-31, 1967. Our Commander has been appointed by National Commander Davis to serve on a National Committee, the first time a member of our race from Mississippi has been so honored. This year there will be no financial help for him from the District. If he is to be assisted, it shall be the sole prerogative of our local Post and Auxiliary to do so.

If you share our opinion that we want our representative to be present and participating in an active manner on a National level, please come to a meeting of the Post and Auxiliary, August 17, 1967 at 8:00 o'clock P. M. and bring or send a contribution.

Very truly yours,

A. L. Moore, Adjutant
