

## JUSTICE AND JOBS!

### Our Objectives Are Simple:

1. Stay away from all downtown stores, and their branches; stay away from all establishments connected with members of the City Council; stay away from any business with the name "LOEB" on it!
2. Buy no new clothes for Easter: keep your money in your pocket!
3. Cancel your subscription to the Commercial Appeal and the Press-Scimitar. Pay your carrier his commission, but cancel your subscription and don't read either paper! Not even your neighbor's copy!
4. Attend the nightly mass meetings, every night!

### The Route of the March is:

1. From Clayborn Temple down Hernando to Beale St.
2. Along Beale to Main St.
3. At Beale and Main, proceed north on Main, on the side designated by the Marshall.
4. At the Washington crosswalk, cross Main to the opposite side and return to Beale St.
5. East on Beale to Hernando.
6. South on Hernando to Clayborn Temple.

Instructions for the March:

1. Be peaceful and non-violent.
2. Ignore hecklers- pay them no attention.
3. March on the street or curb edge of the sidewalk.
4. Keep a distance of two car lengths between you and the marcher in front of you.
5. Identify the marcher in front of you by his or her clothing so you will not get confused about whom you are following.

If You Are Arrested:

1. You do not have to say anything, except to give your NAME, your ADDRESS and your AGE.
2. You are entitled to ask for a lawyer.
3. You are entitled to make a telephone call. Here are numbers you can call:  
526-4281                      525-7489  
525-6057                      526-0575
4. A number of people - lawyers and your friends - will be on the "outside" working for you.
