

# MISSISSIPPI FREEDOM LABOR UNION

I am a member of the MISSISSIPPI FREEDOM LABOR UNION.

I believe that everyone should get at least \$1.25 an hour for their work.

I believe that children under the age of 16 should not have to work.

I believe that people should not have to work for more than 8 hours a day unless they get time and a half for overtime.

I believe that people over 60 should not have to work.

I believe that people who are sick should not have to work, and should receive free medical care.

I believe that all people who can not get full-time jobs should get full compensation from the Government.

I believe that all work should carry social security and accident insurance.

I believe that all people should be treated equally in hiring, wages, and working conditions whatever their race or color.

I pledge to work together with other members of the MISSISSIPPI FREEDOM LABOR UNION to win those rights.

I believe that we should use strikes, picketing, boycotts, collective bargaining and non-violent direct action to make the people we work for meet our demands.
