Gentlemen I would like your advice on a very delicate subject in our town. our Branch have been ask for a Donation of 15<sup>00</sup> for a Jim Crow Play Ground for negro children. I refused to sign the order on the grounds we can not fight segregation and suport it at the same time. the state Conference apponed my stand on the issue. I would like your advice on the subject. there are some people that think we should go along with the Project. I would appreciate your advice, on this matter. yours respectfully

Forrest City Branch, NAACP  
Post Office Box 23  
Forrest City, Arkansas

Dear Mr. Folden:

This is to acknowledge receipt of your letter of recent date which has been referred to this office for reply.

I think that you are absolutely right on the stand you took. I don't see how you can fight segregation and support it at the same time. I think you are taking the proper attitude.

Sincerely yours,

Robert L. Carter  
Assistant Counsel
