

After CORE.

SECOND COOK, white, for sorority
house, UCLA, GR 4-4008
LAUNDRY & House cleaning. 1

Found inclosed in an edition
of ^{the} Santa Monica Outlook.

Was surprised and offended
especially since ~~it~~ it was my
impression that the (spoken at least)
policy of the sororities, etc.

Connected with UCLA - was not
in accord with this kind of
advertising. Core member
I spoke to suggested I send it to
you as you may think it should
be looked into.

Can't supply the date the
ad ran - it was approximately
the middle of October - probably
the 12th (Sat.). But exact date
can be gotten, if necessary, from
the newspaper. It was under domestic
help wanted.

- from a Sympathizer
who wants to remain on
the outside - (of everything!)
