COME AFTER SCHOOL - BRING YOUR BOOKS

The Los Angeles Board of Education says "Segregate" -- but students of all races are answering them with a big "NO!" by studying together right at the Board itself. Last week's study-in was enormously successful. The next one will be even bigger and better. For too long the Board has been herding vast numbers of Negroes and Mexican Americans into inadequate, overcrowded, segregated schools. Let's show the Board that students want segregation stopped HERE AND NOW!

Alameda Blvd. separates a white residential area on one side from the Negro "ghetto" on the other. This residential segregation is bad enough. But -- worse yet -- the Board of Education has actually built this same wall into its school district map. They have made Alameda Blvd. the boundary line between school districts! The result: "White schools" on one side, "Negro schools" on the other, and a "wall" in between -- a more shocking example of school segregation than you'd expect to find in the South today!

LET'S STUDY TOGETHER AND SHOW THE BOARD WHAT BROTHERHOOD LOOKS LIKE!

The study-in will be a peaceful, lawful demonstration of public interest. It will continue until shortly after the Board meeting ends (about 6PM). Information on parking is available from the CORE office. Try to be at the Plaza at 3:45 sharp or as soon as possible.
