

DON'T SUPPORT JOB DISCRIMINATION

WHAT YOU ARE WITNESSING IS A CORE ACTION.

This chain of drive-ins discriminates against Negroes and we are protesting a policy as ugly as any in Dixie.

Until Central CORE began negotiations a few days ago, this was the situation at the 'Wich Stands' two drive-in restaurants. The 'Wich Stands' had 95 employees and not one of them was Negro.

Now the manager of the 'Wich Stand' at 7111 S. Figueroa has agreed to hire one Negro. The manager of the 'Wich Stand' at 4508 W. Slauson flatly refuses to meet CORE's demands for fair employment.

The 'Wich Stand' owners are glad to take Negroes' money -- one of the drive-ins depends almost entirely on Negro patronage. Yet when it comes to passing out jobs -- Negroes aren't wanted.

What You Can Do:

1. Do not patronize these restaurants.
2. Join our line.
3. Tell the management you support the action.
