CORE DEMONSTRATION RULES

When it becomes necessary for the members of CORE to take direct non-violent action, it is of course a very serious matter. It is for this reason that the rules listed below must be followed to the letter. All persons who participate in CORE demonstrations whether members of CORE or not, are expected to follow these rules.

1. Dress comfortably but neatly (women no slacks or shorts).
2. There shall be no talking whatsoever.
3. Do not answer questions of authorities or onlookers. Refer them to the group spokesman or picket captain.
4. Do not eat or drink while demonstrating.
5. Obey the orders of the picket captains.
6. All members will follow instructions of the captains whether in accord with decision or not.
7. NO CORE PARTICIPANT WILL RETALIATE TO VERBAL OR PHYSICAL ATTACKS.
- 7a. If a participant feels that under further pressure he will no longer be able to adhere to the RULES FOR ACTION, he shall then withdraw from the project and leave the scene immediately after notifying the picket captain.
8. You must always inform the picket captain when you enter the line or the demonstration and when you must leave.

With the cooperation of all participants, it is certain that all demonstrations will be carried out in a quiet and dignified manner.

Thank You
