Volunteer for Los Angeles CORE'S

FREEDOM SUMMER

CORE -- The Congress of Racial Equality -- is planning an all-out summer-long push against housing discrimination in the Los Angeles area. Nonviolent direct action projects will be organized on a wide scale to focus public attention on the policy of racial discrimination practiced by realtors, builders and rental agents against minority citizens -- Negroes, Mexican-Americans and Orientals.

CORE WILL CONDUCT AROUND-THE-CLOCK SIT-INS AT SEVERAL HOUSING TRACTS FROM MAY 30th TO LABOR DAY.
