Dear Bruce

I was delight to hear from you. Your account of what going on out there in the Free World Make my heart long to be there inside behind the Iron Curtain.

From what I can see here you have a good action going down there. I did know you were there.

I can't see anything on this side of the Jail. I which you would tell everybody to come by that little door where you have your car park & waving at me I can't talk or they may moving me but I can see them & waving back. Jerry know what I talk about. I thank this whole project should be link with Van De Kamp somehow. Maybe you can find Van De Kamp outlet in this area. We know better than I do because you are on outside.

I hope that Jerry & Jay are OK one Policemen extra beat with Jerry. I got his name & badge No. (395 he was a seg.

I thank we should file Charge the moment we get out.

The reason that I have wrote soon was that it Money to by paper & stamp you have to get there a trustee you have have write over

Change & all Paff.

Bruce Will you please sent No 3 or 4 of the leafly that you give out out there. You can sent like you did the last time but in two letter put Annette address on one. If you mail them when you get this letter I will get them by ~~the~~ Sat. 27. Put in one of those A.B.C mail box.

I thank that about all except one very important thing keep an eye on Annette & tell Richard I said keep one one you.

Woodrow Coleman

P.S. One of those letter go to Mrs Annette M. Becker
I don't remember the address. You know how we Negroes are.
