

DON'T EAT HERE

This chain of drive-ins has a JIM CROW hiring policy.

Until the Non-Violent Action Committee began negotiations several days ago, the 'Wich Stands' had 95 employees, and not one of them was Negro.

Now the manager of the 'Wich Stand' located at Florence and Figueroa has agreed to hire one or two Negroes, part time, however, the manager of the 'Wich Stand' at 4508 W. Slauson flatly refuses to meet our demands for fair employment.

The 'Wich Stand' owners are glad to take your money-----this drive-in depends almost entirely on Negro patronage-----yet, when it comes to passing out jobs Negroes aren't wanted..

WHAT YOU CAN DO:

1. Do not patronize these restaurants.
2. Join our picket line, and bring your friends.
3. Tell the management you support this action.

MAKE YOUR CONTRIBUTION TO THE STRUGGLE FOR FREEDOM
IN AMERICA. DO NOT SUPPORT JIM CROW.
