"Wheres Rev. Dawkins"
Tune "Little Liza Jane"

Chos. Where's reverend Dawkins? Down on his knees
Where's reverend Dawkins? Down on his knees

When crosses burn, and the clan rides out
Where's Rev. Dawkins?
When bombs are bursting all about
Down on his knees.

Chos.

When Parker sends us off to jail
Where's Rev. Dawkins?
And we need money to go our bail
Down on his knees.

Chos.

Fearless Dawkins on T.V.
Where's rev. Dawkins?
Strikes a blow for apathy
Down on his knees.

Chos.

Mississippi kills three men
Where's Rev. Dawkins?
Dawkins hit the floor again.
Down on his knees.

Chos.

We do our work he does gods
Where's Rev. Dawkins?
We get burned with cattle prods.
Down on his knees.

Chos.

When the movements over and we reach accord
Where's Rev. Dawkins?
seated on the mayors board
down on his knees.

Chos.

Wheres Rev. Dawkins? Down on his knees
Where's rev. Dawkins?

The Whichstand song

It was down in Inglewood town
At the whichstand drive-in theirs

The eggs were thrown as usual
and the usual white folk were theirs

stinging-Go Home go home god damn you

With your communist picket line
You can picket for ninety-nine years
but you'll never marry a daughter of mine.

It was down at Florence and Figueroa
at another of those Whichstands
The riot squad came a running
With their scatter guns in their hands.

Stinging go home go home god damn you

With your communist picket line
you can picket for ninety-nine years
but you'll never marry a daughter of mine.

THE LIBERAL SONG
Your hurting your cause
(to the tune of Mary Ann) xxxx

Walking on the picket line
I was carrying my 
freedom sign
up came a liberal anxiously.
here are the words he said to me
Chorus-
Your only hurting your cause this way
That's what all of us liberals say.
Nobody likes things the way they are
but you go to fast and you go to far.

Hebrew children by the red sea shore
walked through the water l by l
Moses led old pharaoh swim
heres what pharoah said to him
Ch.

All night long they were making tea
at the boston harbor jamboree
a liberal ran to the waters 
side and he called to them across the tide.

Fredrick douglas broke the collar bar
when he rode on a train in the white folks car
they said get up but he wouldn't go

What they told him we all know

Ch.

God gave noah the rainbow sign
want be water but fire next time
and when the fires are blazing away
the liberals will lock up to god and say
Ch.

Tune of Oh Tannenbaum?

Oh Inglewood, my Inglewood

You make me tingle, Inglewood

The eggs you throw

The things you say

The way you hate us

More each day

Oh Inglewood, my Inglewood

You make me tingle, Inglewood

The Vand de Kamps Song

Let's go to Vand de Kamps baby

Let sit right down on the floor

We'll sing freedom songs all day long

And then we'll be back for more

And we'll spend our nights

At Lincoln Heights

Watch out for that little old lady

That comes in at three for a snack

She'll pick up a fork from the table

And jab it right into your back

But she never spends nights

At Lincoln Heights

If you're a teen-aged baby

You can sit in with us to

There's a Vand de Kamps special for juniors

They beat you till your black and blue

And then you'll have a ball

At juvenile hall

I'm going back to Vand de Kamps baby

Why don't you come along with me

They can kick, they can scream, they can throw us in jail

Where all of us going to be free

And we'll get our rights

By way of Lincoln Heights
Brother come take my hand
(tune of follow the drinking gourd)

I get so weary on the freedom line
Brother come take my hand
If we all walk together then we'll all get home

Brother come take my hand
Brother come take my hand
If we all walk together then we'll all get home
Brother come take my hand

Well I'm singing high and I'm singing low
singing a freedom song
If we all sing together then they'll hear our song
brother come take my hand

Brother come take my hand
Brother come take my hand
If we all sing together then they'll hear our song
Brother come take my hand

I've been to jail and I've served my time
Brother come take my hand
If we all go to jail then we'll all go free
Brother come take my hand

Brother come take my hand
Brother come take my hand
If we all go together then we'll all go free
Brother come take my hand
