2. BE NEATLY DRESSED AND GROOMED
3. NO TALKING TO ANYONE
4. KEEP MOVING - DON'T BLOCK CUSTOMERS
5. OBEY PICKET LINE CAPTAIN COMPLETELY

6. Maintain non-violent conduct at all times. Do not retaliate in any way. If assaulted, fall to the ground and lie still on top of your sign.

7. Be serious and dignified while participating.

8. Reaffirm your convictions. Know why you are picketing for this cause.

9. Be sure to know who your picket line captain is. He is responsible for all activity. Sign in with him and sign out. Follow all his instructions and refer all questions and problems to him.

12. Ignore all outside heckling. Do not respond in any way. Maintain complete silence and keep moving. The picket line captain will take care of all statements.

13. Any criticism must take place away from the picket line. We must present a united front.

14. Use only CCRE approved signs.

15. No smoking or eating on the line.

16. Be considerate of your fellow picketers.

17. WE ARE PEACEFULLY PICKETING ONLY. Walk close to the edge of the curb and keep moving at all times. Be very careful not to block entrances or exits, or obstruct traffic. If a person want to cross the line, stop and let him through. It is important that we impress people with the fact that we are not obstructing passage and that we are a considerate, responsible group.

18. If we are orderly, there will be no arrests. If an officer says that you are 'under arrest,' go quietly and respectfully with him. In no way resist arrest or become unruly. Inform the line captain and you will be assured of your rights.

19. Do not carry any sharp objects of any kind on your person while picketing.

~~20. We require that any picketer under 16 have a note from their parents. We will not accept picketers under 18 during school hours.~~
