

The students and faculty from the University of Wisconsin who participated in Mississippi Summer Projects would like to discuss their experiences or any aspect of the civil rights struggle with the people of this campus.

The University of Wisconsin Friends of SCLC would like to arrange for people to speak to as many societies and fraternities as possible, in addition to any other organizations.

If you are interested in having one or two speakers any night after dinner, or at any convenient time, please contact:

Buszy Norman 256-7731

Carla Williams 257-9701
