Dear Mr. Seeger,

My name is Alicia Kaplow. You may not recall but I spoke to you briefly at the Mississippi Report Dinner on Sat. Oct 3 about the possibility of your appear for our SNCC chapter at the University of Wisconsin. I realize that arrangements for a concert have to be made through your agent, however, do to the fact that we are affiliated with SNCC we thought it would be more expedient to contact you directly.

As chairman. I have been asked to represent the group in extending our request for you to do a benefit concert for SNCC at the University. As you may know the University is especially receptive to folk artists and it is our belief that a great deal of money can be raised for our parent organization in the South.

I would appreciate your letting me know if it is at all possible for you to come out here and if so at what time so that we may possible arrange the concert between exam periods.
