Dear Miss Kaplow:

Your letter of October 7th addressed to Pete Seeger has been given to me for reply.

We regret that it is not possible at this time to schedule Mr. Seeger for a concert at the University of Wisconsin for the Friends of SNCC. Mr. Seeger has had to limit his concert appearances since his return from the world tour. Much of his time is now being spent in editing films taken on this ten month tour.

Thank you for writing and we are sorry that we are unable to be of assistance at this particular time.

Cordially,

HAROLD LEVENTHAL
Concert Representative
PETE SEEGER
