UNIVERSITY DEAN FOR STUDENT AFFAIRS

December 1, 1964

Dear Alicia:

President Harrington has indicated his interest in meeting with a group of students to talk with them about any aspects of the University in which they are interested and have questions. He probably has a few ideas he wants to try out himself.

We have scheduled the Beefeaters Room from 3:30 - 5:00 on the afternoon of Tuesday, December 15 for a Coffee Hour. I hope it will be possible for you to join President Harrington and me. If you cannot come, will you let Mrs. Franklin know by calling 262-2753. Otherwise, we shall look forward to seeing you on the 15th at 3:30.

Sincerely,

MARTHA PETERSON
