MANY THANKS

This is a very short note because of my appreciation for what you are doing and I do not want to take too much of your time. I am being very brief because I believe I have a glimpse of the vast work you are doing and realize you cannot read all of the material that comes to your home.

Many, many thanks for making my stay in Cleveland a rich one. As soon as I am able to write a report about my stay with its recommendations I shall send them to you.

A handwritten signature in cursive script that reads "Jake".
