Dear Alicia,

I lost the names of the people in the history department I'm supposed to be writing to. The MO came today.

Do you suppose you could send it to me at a different address:

Box 564
Atlanta, Ga.

That way I would get it quicker. Many thanks. Please send those people's names and I'll write to them.

Also, I've tried to call you for several days but either your line is busy or else no answer. What I need to know is how many applications you have for the Washington Lobby.

Margaret L.

PS: It's OK now to send a check. I've opened up my own checking account here now.
