Dear Lucy:

Ethel Untermyer and other members of our Foundation urged me to write to you today, inviting you to participate actively in our forthcoming conference - THE INTERNATIONAL CONFERENCE ON FREEDOM OF RESIDENCE.

We would be honored and pleased if you would serve as a valuable resource leader for the three-day workshop on the subject: "Freedom of Residence and World Peace". Your deep insights and long experience in working to eradicate the causes of international conflict will be of extreme help to the many business, labor, civic, and religious leaders from various parts of the nation and the world who will be coming to this conference. Please note the enclosures.

Looking forward to hearing favorably from you, and thanking you for your help in every way,

Sincerely

  
Donald S. Frey
