14 October

Dear Mr. Hulett:

As you will recall from the copies of the letters which I sent to you on September 8, 1966 I have been trying to obtain information about the \$330,000 in Federal funds which was granted to the Lowndes County School Board in 1964-65. As you can see from the copies of the correspondence that I am enclosing I have not had any luck so far.

I know you people are busy with more important things right now, but if in the course of things you get a chance to shake any of this information loose, please let me know. Judging by how hard it is find out anything, I would imagine that this information might be very helpful if we can get our hands on it before the election. I will keep trying from my end, but the phoney runaround I'm getting doesn't look very promising.

Let me know if there is anything further that I can do. Best wishes for a smashing success on election day.

Regards,

Yale Rabin
