You are now ~~able to choose~~. You ~~have~~ have a choice. You can either continue with your high school education ~~with the chance of~~ going to college ^{OR} you can drop out of school. If you want to drop out take the path to the LEFT. If you want to continue on to graduation continue **STRAIGHT AHEAD** on the path you are on.

Card #1 (3) Congratulations! You were born white. You may continue on with your education. PLEASE CONTINUE STRAIGHT AHEAD

Card #2 (4) We regret to inform you that you were born black. For the **(LIKE THE MAJORITY OF BLACK BLACK YOUTH)** following reasons you will not ~~be able to~~ continue with your education and you must take the path to your left.

5/9

- 1- Your family has no money to support you. You must ~~be able to~~ **TRY TO "MAKE IT" ON YOUR OWN**
- 2- You know that ~~you will not~~ even if you did graduate you could not find a decent job.

- 3- The courses given in school have even less relevance ~~for~~ to your life than for the white ~~students~~. **STUDENTS MOST** teachers have no understanding of your needs.

- 4- When you where in Jr. High School the teachers and counselors forced you into a totally restrictive and useless "non-academic track".
PLEASE TAKE THE PATH TO THE LEFT

Card #3 (3) We regret to inform you that you were born a chicano (Mexican-American) and that ~~for~~ the following reasons you will not ~~be able to~~ continue with your education and ~~must~~ you must take the path to the left.

P/*/2

Congratulations! In spite of the valient efforts of the entire school system, ~~from Ronnie Reagan on down~~, you have managed to wade through High School and Graduate. You now have a choice. You can take the path to the LEFT AND GO TO WORK, or you can take the path STRAIGHT AHEAD AND GO TO COLLEGE.

P/*/3

You are now faced with one of ~~the~~ ^{YOUR} most difficult choices ~~you will ever have to make~~. As you have seen, College is not all it is cracked up to be. In many ways ~~it~~ it is worse the High School. You sense that THEY are not trying to develop and broaden your mind but that ~~they~~ THEY are trying to condition your mind. ~~What should you do?~~ What should you do?

If you are willing to conform and aquiese ~~in~~ ^{and} take the path to the RIGHT. It will lead you towards material richs/(THE ~~reward~~ reward for mental submission), but beware for your mind will be ~~the~~ THEIRS to play with and ~~THEY~~ ^{AS THEY CHOOSE} might cause it irreparable damage.

If you are unwilling to subject yourself/to ~~THEIR~~ ^{further} THEIR manipulations then drop out of college and take the path to the LEFT. ~~It~~ ^{IT} path will lead you ~~with~~ ^{THE LIFE OF EITHER} towards ~~being~~ a worker or a free soul (hippy), as you shall choose.

~~But Beware for THEY are very subtle and THEY might poison your mind without you knowing it, and remember that if you drop out you will immediatly be faced with the DRAFT! (THEIR punishment for attempted escape)~~
^{BUI} ^{OF COLLEGE} ^{NON AQUIESENGE}

If you want to try to squeeze what benifit you can from college, and yet are unwilling to surrender your mind to THEM then take the path that lies STRAIGHT AHEAD. ~~It~~ ^{IT} is the path of ~~subtlety~~ and rebellion. But Beware for THEY do not take kindly to rebellion, ~~in~~ ~~THEIR~~ ~~mind~~ and it is ~~not an easy path to follow, and remember THEY are both subtle and ruthless.~~

the iron fist ~~is~~ that lies with-in the velvet glove. The path STRAIGHT AHEAD is the path of ~~the~~ rejection of THEIR system. It is the path of oposition to ~~their~~ THEIR system, not the path of reforming it. O/C/1 You now must make a choice. As you have seen, whenever you have begun to ~~rise~~ improve your life something has happened to knock you back down again. You now see that under our social system it is very very hard for a person like you to better himself. You have two choices. If you want to fight the system and try to overthrow it, if you want to risk going to jail, risk losing what ~~you~~ little you have, risk getting killed, ~~all in the very tiny hope of eventually overthrowing this system~~ then take the path that forks to the RIGHT.
