NO CLUES FOUND IN NEGRO’S MURDER

LIBERTY, MISSISSIPPI, February 16 - Sheriff Daniel Jones said here last week he had failed to find "a single clue" in the shotgun slaying of a Negro who had been a white man shot another Negro active in a voter registration drive.

"I've interviewed a lot of people but haven't come up with a thing yet" the sheriff said.

The body of Louis Allen, 44, was found early Saturday morning, February 1 by his teenage son. He was dead from three shotgun blasts, two in his head. The sheriff said several neighbors heard the shots but "thought nothing of it." He said Allen was killed as he stepped from his log truck to open a gate 150 yards from his house. The sheriff estimated the shots were fired from 30 yards away.

"I've known Allen for years" the sheriff said. "He was not involved in any civil rights activities."

Allen was a witness in the fatal shooting of Herbert Lee, a 52-year-old farmer gunned down outside a Liberty cotton gin in 1961. Lee was one of several Negroes active in a Student Nonviolent Coordinating Committee (SNCC) vote drive. Allen later admitted to SNCC workers he had been forced to lie at a coroner’s jury investigating the slaying which set free E. H. Hurst, a white man, then a member of the State Legislature. SNCC has asked the United States Department of Justice to investigate the murder.
