TO ALL STAFF MEMBERS: This newsletter is intended to serve as a secondary means of communication between the Atlanta office and your far-flung efforts. The primary means of communication must be initiated by you. It is called the Field Report, and is to be filed with this office weekly, or in case of action, daily. In addition we need pictures of action demonstrations, voter schools, yourselves, newspaper clippings which mention you or your program. We need to know who you've met, where you are, what you do.

TO ALL OTHERS: We above all need more funds. But our specific needs are: at least four good reconditioned secretary-type typewriters; a good adding machine; dates for the FREEDOM SINGERS; a good car for Samuel Block and Willie Peacock in Greenwood, Mississippi; a good car for Frank Smith in Marshall County, Mississippi; protests to the President, Attorney General, Justice Department, Civil Rights Commission and your Senator about sharecroppers being evicted in Ruleville, Mississippi and the cessation of a Federal surplus food project in Greenwood, Mississippi, and the knowledge that you are with us.
