MONTGOMERY, ALABAMA -- An assistant circuit solicitor said here during a hearing on false pretenses charges against SNCC field secretary Bob Zellner that he had offered to drop that charge if Zellner would plead guilty to a charge of vagrancy. (The false pretenses charge is based on the fact that Zellner wrote a check for $85 on the day of his vagrancy arrest thinking there was money in his account to cover it. Through a clerical slip, money was not in his account when he wrote the check, but was deposited three hours later. The check would have cleared during ordinary course of business and never was sent through the bank of marked "for insufficient funds.") State authorities plan to press the false pretenses charge -- a felony in Alabama with a 1-10 year sentence -- to the Grand Jury February 12. (SEE ACTION REQUEST.)

Call, wire or write one of the following, protesting the harassment and the false pretenses charged lodged against him: (1) Maury Smith, Assistant Circuit Solicitor, Montgomery, Alabama; (2) Richmond Flowers, Attorney General of Alabama; (3) Governor George C. Wallace; and (4) Al Lingo, State Director of the Department of Public Safety, all in Montgomery regarding the charges and the harassment by state agents. Write to Attorney General Robert F. Kennedy and the U. S. Civil Rights Commission in Washington.

3. Need still persists for an automobile to aid the Mississippi SNCC field staff in covering their assigned voter registration areas. Please help -- any car in decent shape will be received with open arms.
