

10/25/63

AM

Report from Greenville- rally last night at which 800 to 1000 people showed up. It was held on the lawn of the courthouse. Both Henry & King spoke. \$250 was collected. There is a difficulty in setting up the mock elections since interest seems to be limited despite the attendance last night. There maybe another meeting there 10/30. No ordinance in Greenville against distributing leaflets. No trouble last night.
