

Mound Bayou Miss:

John Lewis:kk and his group in vote mobile were able to get quite a few Ballots in Rosedale, Miss (expected trouble there)--they were escorted out of town by police afterwards tho.

In Cleveland, Miss. they were not allowed to get out of their car, and were escorted by police directly to Mound Bayou, Miss. where they called in. They were planning on going back to Greenville from there.

Amzie Moore, in Cleveland, was planning on checking on the Cleveland situation.
