Jackson: yesterday George Greene, 19, Greenwood; and George Raymond, 20, New Orleans were arrested in Flora, Miss. (Yazoo County)-- They had been in Yazoo ~~at the trial of Lenora Thompson~~ at the trial of Lenora Thompson (she had been arrested Monday in Yazoo City for distributing leaflets wit out a permit). After the trial, Greene, Raymond, Lenora, Claude Weaver and Jesse Morris went to eat. One officer followed them and kicked George Raymond. When they were leaving, another kicked Greene. The five got into car and drove off followed by two carloads of police and one ME state trooper car. The state trooper followed them to Flora and pulled them over to side-- charged Raymond with reckless driving and took his license. Then asked if anyone else could drive. Greene said yes, so trooper took his license too-- arrested them both and took keys, told three other kids to get out of car and walk. Locked car. Greene and Raymond called the Jackson office this morning and said they'd been roughed up in jail. (Yazoo County jail). The charge on Raymond is reckless driving \$150 bond. Greene is charged with resisting arrest--no bond-- but they'll probably let him go. They don't know when the trial will be. Jesse Morris has gone down to Yazoo City to get them out of jail.

Greenwood: Willie James Earl was picked up at school today by county officials and taken to Leflore county jail-- was told he must appear in court this afternoon. Frey doesn't know why-- thinks they might try to get him and Jane Stenbridge with contributing charge (Earl was one of five arrested last Saturday with Frey and Stenbridge)
