Selma: Tom Brown

RESTRAININ ORDER HELD: *MK JD can't be called by Grnd Jury--
hearing cont'g-- but they are almost over with SNCC staff.

The trial has been cont'd to Dec. 12

Judge Thomas told grand jury that he had orders from circuit
court that they couldn't bring JD officials before grand jury.

He seemed to be suggesting that they should call up the JD people
anyway. He read some older cases etc.

Grand Jury is still hearing SELma people and Birmingham people
that aren't with SNCC
