Chapel Hill: J.V. Henry

had a demonstration last night at Watts Restaurant in Chapel Hill. 6 Arrested- charges: trespassing and resisting arrest. Possibly an assault charge will develop also from a waitress who spat on a faculty member there as a photographer
Those arrested:

Van Cornelius, 19, U. North Carolina

Luther Fouchee, 13, Carrboro (West Chappel Hill)

Frank Austin, 15, Carrboro

Carolyn Edwards, 16, Chapel Hill

Leo Calhoun, 22, U.N.C.

Wae Black, 17, Lincoln High, Chapel Hill

Today they will be going to Raleigh and will test Toddle House there. kkkkkkkkkk
Also plan to talk to manager there and probably put up picket line.

Yesterday was trial for all cases since Dec. 13--they were continued: trying to get a trial by jury because of extreme segregationist judge.

21 in jail now. those under 16 will be released under custody of parents, others will be released on bond today.

(other details and photos being mailed here)

Spinn:

went down to JD this morning to tell them about raid on office--asked very simple and straightforward questions
