Where engaged to appear? Coliseum Exposition

Greenwood: Hunter Morey

WTQS radio sponsor, owned by Duane Miller, known

Morey got his '56 Chevy smashed coming home from a hearing of the Civil Rights Advisory Committee. A pickup truck swerved into Hunter's lane last night and wrecked the car outside Bintonia. A kangaroo court complete with justice of the peace tried Morey, found him guilty of failure to dim his lights and fined him \$13. Others in the car were Mr. and Mrs. Tornbow of Holmes County, a Mrs. Clark of Ruleville, Mr. Gadsen of Greenville and Ivanhoe Donaldson. Morey now needs money for bus fare and food for himself along with Landy McNair and Don White for the trip to Washington for the conference.
