of a minor" and allegedly causing a juvenile to distribute  
leaflets "of a libelous nature"  
the juvenile is Bobby Robinson \$500

Claude says there is some evidence of a deal with last arrest.  
Robinson was arrested earlier. they think that since she was  
released as soon as Carole brought in, there was a deal with  
Robinson's parents signing condemning statement of Carole.  
he's checking on it. Marian Wright should be told details on  
this when Claude reports.
