WASHINGTON, D.C.

No final word on whether NASA head Jas. Webb and Rep. Geo. Miller will appear in Jackson, Miss. for Chamber of Commerce (segregated) meeting tomorrow 28th. Jackson people will demonstrate with NO BAIL if they do appear. Washington people will demonstrate to pressure governmental release of Jackson people - since the arrests will be due to government abdication of responsibility. The Washington arrest would not be for support, but to push government to release demonstrators. Possible San Francisco demonstrations vs. Webb & Miller & USA because Miller is from San Fran district.
