

Canton, Miss.

Jan 30

Mr. Henry Cooper, 45, arrested- charges unknown- something about license to operate Tolivar Cafe
his

they think the man was arrested because Helen O'neill and George R ymond were drinking coffee there .

George says that the cops there are doing a good job if intimidating Negro community partially by their physical presence, and this arrest won't help. The cops are now walking and driving all around Canton---

~~Ehkr~~

~~Ehkk~~ Canton is very understaffed.

Cafe is frequented by movement people--
