Henry Ollins, his wife Lucy and Thomas Hick were attached in adjoining houses in Oak Ridge at 9:30 pm August 11.

The attackers broke down the doors of both of the houses and fired a high-powered rifle at Hick's house.

Both Ollins and his wife were beaten. Mrs. Ollins has a damaged hip. Both were treated at the Vicksburg Hospital. The hospital reports that Mr. Ollins was pretty badly beaten.

Mr. Ollins was the only delegate to the FDF precinct convention. Both he and wife had distributed freedom registration forms. There is an untrue rumor that they have housed COFO workers.

The FBI has been on the case since yesterday.

The car carrying the ~~hooded men~~ hooded men was driven by a white man. Warren County prides itself on not having a White Citizen Council and a KKK.
