Dear Amzie:

A belated note to thank you for your most gracious hospitality during my recent visit there with Maurice McCrackin. I took him past the Eastland plantation and also Parchman Prison. Not much difference, I'd say.

Mac is doing everything possible to keep up the flow of funds into that area, as are we. However, there seem to be so many struggles in progress that people are spreading their money around a little more thinly.

On top of that, we had a fellow jump bond in North Carolina earlier this month. The bond was \$10,000, of which SCEF posted \$2,500. The man who jumped bond was really a youth involved in the Monroe struggles. Who is to blame him for such an act under such conditions?

Love to all from Anne and me.

Carl
