Dear Amzie:

How are you???? You must have heard what I have been doing? Anyway I am as much around Cleveland and Greenwood as I was when I was there in the flesh. I tried to move mountains... it is hard, but somehow the dents I tried to make show a little. My photographic essay on Greenwood appear this month in JUBILEE Magazine. There ~~are~~ inaccuracies in it, I am sorry, they had a typed manuscript, Bob Moses read it, but they still ... though they did keep the spirit and this is the most important thing.

A propos, when I saw Roy Wilkins, I tried to tell him about you. I am sorry, but I ~~don't~~ think he ^{did not} understand your position quite. I wished, I could have helped a little.

Now that I received this wonderful award through the Taconic Foundation I am trying to line up my schedule. I will return or pick up my work again with the mass meeting in Washington, though I will use our vacation trip for research purposes. Will you go to the mass meeting? Do you have any suggestion for me? what to do? Where to be? or any other suggestion???? every one would be most valuable. Thank you!

This is all for today. I am writing a million letters and try to draw as much attention to my project as possible.

Since I feel you are an old friend, Please take my warmest wishes and much love,

Marion

P.S. You might be interested to know, that the FBI is still after me for the U.S. Dept. of Justice and Burke Marshall. Just got a call to make additional prints. I feel proud that my work is used for this purpose.
