Dear Mr. Ray,

This is every cent I have and I shall try to do the best I can on this debt. My former wife has nothing to help with, and, aside from that I have the Air Unit in my charge. We used it just a month or two because it was too expensive. It cost about \$90.00 a month to operate it.

Inclose find \$20.00 and I sent you five dollars that you didn't return.
