A great deal of work might be done in some  
of public relations and publicity concerning what  
we are doing. The white churches may claim to  
know what a freedom school is, but I seriously  
doubt it. The NCC Com. on Rel. & Race should  
perhaps measure up the overall  
The ministers project is just great. This is  
especially true of the volunteers and the Negro people  
who are cooperating.
