Dear Alicia

I am sorry that I haven't been writing. I receive all the mail that you and George been sending me. I do not like to write letters very much I do not care if you post the letters so that other people can read them. I need lots of stuff to work with if you can send anything that I am about ask please send it. I need a type writer and pens paper a black ford chalk anything else you can send. The girl I wrote the first you'll get in touch with me I told her a lot of things about me which was a very little maybe I would have been better if I had not said some of those things but I am sorry I need material an art music and some literature of the thing that you are doing to.
