Cleveland, Miss.

Dear Mrs. Moore:

I received a letter from the Southern Educational Fund, Inc.
Rev. Fred L. Shuttleworth, President.

This letter stated that many Negro citizens of Leflore County
and Sunflower Counties are desperate in of food and clothing. It also
stated that these people cannot look to State and Local Officials for
help because , Miss. Segregationist fear the voting power of the Negroes.

We are planning a mass rally to ger food for those people, and
send to you and Mrs. Fannie Lou Hamer, Ruleville, Miss. Please write me
at once and state the need of some of the people in that area.

Enclosing postage for immediate reply.

Yours truly,

Rev. A. E. Campbell
