Congressman G. Schisler
House Office Building
Washington, D.C.

Dear Congressman Schisler:

I'm glad to have met you last month and am sorry that conversation had to be so brief. I would have liked to have discussed the Mississippi Freedom Democratic Party challenge with you, as well as a variety of other topics. My purpose in writing now is to ask if your office could send us copies of the civil rights bill, the poverty bill, and any recent materials on the pending voting bill. If possible, we could use several copies of each. In the process of tightening up our organization and establishing a new information service for the people of the 4th congressional district here, we're setting up a district office and need the materials for it. Thanks for any help you can give us. Best regards to Mr. Lovitt.

Sincerely Yours,

Jo Ann Coiman
