Dear Amzie:

Thanks for your letter and for sending the signed note.

In regard to Rev. Reed's need. I don't see how we can help. Our policy is to help these suffering reprisals for their own involvement in the Civil Rights' Movement. This would hardly meet this requirement. We sympathize with him and if they are taking it out on him for ~~that~~ stand his son has taken this is an unfair kind of retaliation. We hope he can find the help somewhere.

Hope you are well and your concerns going likewise.

As ever,
