614 Christmas St.  
Cleveland, Miss.

Dear Anzie:

This is just a note to say that you will be receiving 100 boxes of food from the students at Brandeis University sometime within the next two weeks. Please prepare to give these to your neediest applicants. Each box will contain enough food for one family for approximately a week.

Your thank you letters should be sent to Mr. Bruce Slegler, Brandeis University, Waltham, Mass. 02154.

Also, I trust that your work is going well. We are enclosing a list of suggested policies which have grown out of the work done by many committees across the state. I trust that it will be of some help to you.

If you have not given us a list of your members including addresses and telephone numbers, please send it immediately.

We also need reports (use the blanks enclosed). Send us one and keep one for your records. At the space for comments please list whatever special needs you have such/as certain types of foods not provided as commodities, specific clothing needs.

This will help us to route and divide help according to need.

In the struggle,

  
Annell Ponder (Co-chairman)
