Dear Mr. Moore:

The Santa Barbara Women for Peace shipped 354 pounds of clothing to you for the brave people of the voter registration drive. This was several weeks ago, and we are wondering if the bundles were safely delivered. We sent you a letter to notify you of the shipment, and enclosed a self-addressed envelope so you could tell us when it arrived.

Since we have more clothing collected, and are working on collecting money for the shipment, we want to be sure the first lot shipped arrived safely.

Could you please use the enclosed envelope for a short message to us, either way, if the clothes arrived, or if they did not. If there is difficulty getting things delivered, and you did not receive the things, then we want to know so that the rest of the clothes will not be lost on the way, too.

We hope you are well, and that there is progress being made in the good work.

Very sincerely yours,

(Mrs.) Pearl Lang
