Dear Meme and Pappy,

A letter that Tom mailed in Hattiesburg on Monday came today. He can get mail at COFO, 507 Mobile St, Hattiesburg. He is staying with a family, evidently with a lot of children because they were playing with the typewriter.

He sounds very happy, and says that next summer he'll stay home with the children and I can go to work for Snick.

Rachel made a wonderful family tree, thanks in part to the Esemann book. We all had a good time looking at it.

Love,
Phoebe
