Dear Arthur:

Thank you very much for your more than generous note about Atlantic City.

I too think there was a good deal to be said for the Freedom Party's rejection of the "compromise" and if I have any complaint, it is over the manner of the rejection. Coming from the Credentials Committee steamroller on Tuesday afternoon, I just hated to see another steamroller go into operation. At any rate, I do agree that it was a major victory and it can be shared by an awful lot of people.

Thanks again for the note.

Sincerely yours,

Joseph L. Rauh, Jr.
