Dear Mr. Haley,

Enclosed is a petition which was sent to the School Board of Madison County last week. George thought you might want a copy. He is taking the parents of the children who attempted to attend Canton High last week into Jackson for a formal appointment with Carsie Hall. They, of course, will ask Carsie to handle the case in Court.

Please excuse the typing on that petition, but the one decent typewriter in this office broke down in the middle of the petition. I wrote to Marv Rich and asked for a decent typewriter, Maybe you could help us on that. In the weekly reports coming in tomorrow I stated that a typewriter was not a desperate need, DISREGARD THAT MISGUIDED STATEMENT..

I hope this letter finds you in good health. George, Mrs. Devine and I send you our regards.

Yours In Freedom,

*Mary Ann Shupenko*
