Dear Lois,

Thanks for sending the copy of the letter from
Mr. Bloomfield.

We aren't getting support from the north. Also, our budget has been cut again and there was a grand mix up and I haven't received any money although I said at Tougaloo I need support. In short, we have nothing to operate on and the money I had set aside for transportation to take a break in Nov. (since I didn't take one at the end of the summer project) is rapidly dwindling.

We will really appreciate anything you're successful in doing.

Yours for freedom,

Mary Sue
